

## Participating Partners

### Alberta Health Services –

Delivering health support and services to more than 3.8 million adults and children living in Alberta, through programs in hospitals, clinics and community health centres.

### CAREERS: The Next Generation –

A unique, non-profit organization raising youth awareness of career options and developing the skilled workers of the future through career awareness, exploration and experience.

### Lethbridge College –

Focused on real-world applicability, our School of Health and Wellness delivers high-quality theoretical, hands-on education with real life experiences to prepare you for your career in Health Services Careers.

### Medicine Hat College –

Medicine Hat College provides education that prepares students for further studies, careers and life. Our people are passionate about unleashing the potential of every student-intellectually, emotionally, and socially. Through every encounter we have with students- and all that we do- we will seek to recognize and encourage their potential as learners, workers and global citizens.

### University of Lethbridge –

Dedicated to providing superb evidence informed health education that embraces complementary approaches, is creative in its application and unique in its perspective. Programs respond to current health-care needs and are delivered through a combination of theory and practice that prepares students for successful careers or further education.

## For students in Grades 10-12\*

\*Enrolled in Grade 10 as of September 2017

BROUGHT TO YOU BY:

# Interested in a career in Healthcare?

This interactive, educational and unique summer camp in Lethbridge and Medicine Hat will provide students with the opportunity to explore a wide variety of health sciences programs and careers.

- Participate in hands-on activities and interactive demonstrations
- Tour labs and interact with instructors and students
- Go behind the scenes at local health care facilities
- Learn about the variety of programs available at local post-secondary institutions
- Meet health care professionals and hear their stories first hand
- Discover hundreds of career paths in health care

Attendance is limited to only 60 participants, and registrations are accepted on a first-come, first-served basis – so register today!

## Did you know?

More than 130,000 Albertans are employed in the health sector in approximately 200 occupations, and yet there is still a skilled labour shortage in most health occupations.

## Programs Covered (subject to change)

- Addictions Counselling
- Nursing
- Health Care Aide
- Therapeutic Recreation
- Massage Therapy
- Public Health
- Social Work
- Paramedic
- Hospital Tour

...and many more!
