## THE NCS 'SHOE SHELF' – WINTER BOOT DONATIONS NEEDED

Clean and sanitized shoes for students who need an indoor pair to wear!

Have a pair? Leave a pair.

Need a pair? Take a pair.

To help keep our halls clean and dry to avoid slips and falls, we ask that each student has a pair of clean, dry shoes to wear inside throughout the day. In a school, mysterious things often happen to our indoor shoes. They run away on their own and get lost, they venture outside and get dirty, sometimes they even fall apart! If, for whatever reason, a student finds them self needing a pair of shoes to wear inside, the Shoe Shelf has a variety of sizes that are sanitized daily. Right now, it is located on the shelves by the gym entrance. If their size is there, students can grab a pair to wear and are welcome to return them to the shelf when they are no longer needed.

As the next season approaches, we would like to put some boot options out on the Shoe Shelf for NCS students in need of warm winter boots. If you have any used winter boots in good shape that you no longer need, please consider donating them to our NCS Shoe Shelf. We will take all sizes and styles.

The NCS Shoe Shelf: because sometimes life happens to shoes too.
