### WHAT'S IN THIS MONTH'S ISSUE:

#### HARVEST MONTH

September is known as Harvest Month.

It's a great month to harvest in preparation for the coming winter months. In fact, in Old England, it was called "Haervest-monath", meaning Harvest Month. Some of the best crops to harvest are onions, apples, raspberries, and tomatoes.

# MESSAGE FROM THE PRINCIPAL

## Principal Message:

Hello Noble Central,

Happy New Year and welcome to the 2024-25 school year! What a start up we have had here at the school! The first week has flown by, and students hit the ground running. Staff has been preparing for their arrival, and I'm extremely proud to see all the great things that have occurred this week. We have continued to see growth in the school, and while that does bring some complexities, the new additions have fit in extremely well. The students have brought me a lot of good energy this week, and I hope they are feeling like they are getting it right back. We certainly want this to be a place where students feel like they can strengthen themselves mentally, physically and socially.

I would encourage everyone to involve yourselves in your student's learning journey. Our parent volunteer form has gone out, and we certainly look forward to involving you in any capacity that you feel comfortable in. I would encourage all who are interested to attend our school council meetings. We have them monthly, and the more heads we have attending, the more we can be informed about what's happening at the school. We love having you in our building, and involved in our journey to make this the best school that we can. We know we can't do it without you, and we are truly grateful for our families. Thank you for your support, and feel free to reach out to me with any questions you may have.
