It's almost that time of year again.... Christmas Hamper Time!
We recognize that the Christmas season can be an extra stressful
time of year for many
families in our surrounding communities. With colder weather
comes increased utility
bills, additional needed clothing to survive the colder weather and
trying to squeeze out
a little bit extra for Christmas celebrations is sometimes not possible.

The North County
Interfaith Outreach Society would like to ensure that families in our
area are aware that
we provide food hampers to help with this.

We ask that families requesting a hamper please stop in at the North
County Office at
326 Highway Avenue in Picture Butte (beside ATB Financial)
Tuesday or Thursday
morning between 10:00 AM and 12:00 PM noon to register for this
program or call the
office at 587-787-4022.

Argentina

Reciprocal Exchange Program, 2024/2025

Duration

The timing and duration of this exchange is designed to overlap with school breaks for both outbound and inbound exchange students. The exchange duration will be approximately four weeks for each visit. Tentative dates are:

Inbound students from Argentina:
• January 24, 2025 to February 21, 2025*

Outbound students from Palliser:
• August 17, 2025 to September 14, 2025*

*dates may change by a day or so to obtain the best flights and airfare

Costs

Families are responsible for airfare, personal spending money and the costs of hosting a student.

Housing

Visiting Argentinian students will stay with Palliser host families, fully immersing themselves in the daily life of their host homes. They will attend school alongside their host students, providing a shared academic experience. Similarly, Palliser students visiting Argentina will live with their exchange families, attending classes at Colegio Pestalozzi with their partnered student. This arrangement fosters cultural exchange and strengthens the bonds between students and their host communities.

Host families will be able to review detailed profiles, including student and family information, photos and videos of the home environment. Families are encouraged to communicate and get to know each other well before the travel dates to build connections and ease the transition.

Student Matching

Students will be thoughtfully paired with a partner from Buenos Aires, considering lifestyle, shared interests, and cultural values.

Benefits

A reciprocal exchange is a life-changing opportunity that will allow students to:

- Become immersed in a new culture by taking part in daily family and school activities
- Learn conversational Spanish or improve existing language skills
- Build confidence and resilience
- Create lifelong friendships
